- 2.1 The Card, whether plastic or virtual, reloadable or single-use, is a prepaid card featuring immediate debit of preloaded funds and systematic authorisation. The Card allows Card Users to access available funds that have been previously loaded on the Card by the Contract Holder via the Corporate Account Platform. The Card is not a credit card and all use is limited to the amount pre-loaded on the Card and any other limits referred to in this Agreement.
- 2.2 The Card is issued by Us at the Contract Holder's request and upon acceptance of said request to Us via the Corporate Account Platform. Plastic Cards will be sent directly to You or the Card Users (as directed by You) as per the address specified on the Card order request completed on the Corporate Account Platform.
- 2.3 The Card can be used worldwide wherever You see the Card Scheme symbol displayed online and for plastic Cards also at Automatic Teller Machines ("ATMs") and merchants, including shops and restaurants who accept the Card Scheme (subject to local laws and regulations in the country of use), providing there are sufficient funds available on the Card for the Transaction, including any applicable fees (subject to local laws and regulations in the country of use).
- 2.4 The Card remains at all times Our property and must be returned to Us or destroyed upon Our request. Use of the Card is personal to You and the Card Users. You cannot assign Your rights under this Agreement, and the Card User is strictly prohibited from transferring or giving the Card to any third party or from allowing any third party to use the Card. The authorisation for You and/or Card Users to use the Card may be revoked at any time, in accordance with clause 10 below.
- 2.5 The Contract Holder shall be liable for all acts and omissions of Card Users purported to be carried out pursuant to the activities anticipated by this Agreement. The Contract Holder warrants, represents and undertakes that it shall ensure that all Card Users are made aware of the content of this Agreement and understand the obligations regarding the use of the Card.
- 2.6 There is no interest payable to You on the balance of the Card and the balance does not amount to a deposit with Us.

3. Use of Card

3.1 Activation and General Use of the Card

- 3.1.1 The Card cannot be used unless it has been activated within the notified time by the Card User. An activation procedure will be provided with each plastic Card. You must know, and ensure that Card Users know and follow the steps required to activate the plastic Card and the instructions must be followed. You shall only distribute the Card to the Card User and You shall be responsible for ensuring that each Card User complies with this Agreement where applicable.
- 3.1.2 The Card is only for use by the Card User and expires on the date on the front of the Card. The Card cannot be used after it has expired.
- 3.1.3 The amount relating to each Transaction and any associated fees will be deducted from the balance on the Card.
- 3.1.4 When using the Card at certain merchants, including hotels, restaurants and petrol stations, the merchant may hold an additional amount to cover tips/gratuities, temporarily reducing the balance available on the Card.
- 3.1.5 We do not recommend using the Card as: (i) a guarantee of payment, for example as a deposit for hotels, cruise lines or car rental, as merchants such as these may estimate the final bill and this

amount will be temporarily unavailable to access or spend or as (ii) an arrangement for periodic billing as any debits as a result of such arrangements will be considered to have been authorised by You.

3.1.6 You agree to accept a credit to the Card if a Card User is entitled to a refund for any reason for goods or services purchased using the Card.

3.1.7 We are not responsible for ensuring that ATM's and point of sale terminals ("POS") will accept the plastic Card.

3.1.8 Strictly for plastic Cards, certain POS, particularly those situated in moveable property such as trains and ships, and certain static payment terminal machine such as in car parking lots, and toll ways are not connected in real time to the Card Scheme approval network and may not be able to accept prepaid Cards. We accept no responsibility, and shall not be liable for any inability of Card Users to use their Cards in such POS or machines.

3.1.9 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Card, in the country of purchase and/or use.

3.2 Available funds

3.2.1 The Card User should check that sufficient funds are available on the Card prior to attempting to make any Transaction to avoid disappointment or embarrassment if the Card is declined.

3.2.2 If there are insufficient funds on the Card to pay for a Transaction the Card may be declined or the retailer may allow payment of the balance by some other means.

3.2.3 The Card can only be used if it has a positive balance.

3.2.4 Strictly for plastic Cards, payments made on some machines, such as automatic fuel dispensers, generate a pre-authorisation to reserve an amount that may be greater than the payment requested. In this case, the request for pre-authorisation of the greater amount may result in denial of the Transaction and the associated payment. For services offered by these machines Card Users should ensure the Card has adequate funds to meet the amount required by the pre-authorisation.

3.2.5 The Card User may redeem or spend the balance of any unspent funds on the Card at any time prior to its expiry date. Following the Card's expiry, unspent funds may only be redeemed by the Contract Holder.

3.2.6 The Card User may obtain certain information concerning the Card and recent Transactions via the Website, contacting Customer Services by telephone (available twenty-four (24) hours a day, answered by an IVR and then if necessary by an operator).

3.3 Temporary blocking of the Card

3.3.1 The Card User and/or Contract Holder may request to have the Card temporarily blocked by contacting Customer Services.

3.3.2 You and/or the Card User may request that the Card be unblocked at any time via the Corporate Platform or the Website (as applicable), by contacting the IVR or by SMS using the information and according to the procedures set out in the Schedule.

3.3.3 Applying for a Card to be temporarily blocked shall not satisfy the obligation of the Card User or Contract Holder to inform Us of the suspected or actual loss, theft, misuse or fraudulent use of the Card or of the related data.

3.3.4 If We block or suspend a Card, We shall notify You and/or the Card User by e-mail and/or SMS text message, if possible prior to blocking or suspending the Card, and at the latest, immediately after, unless We reasonably believe that providing such information would constitute a security risk or We are not permitted to provide such information by any applicable law. The Card User and/or Card Holder can at any time request that the block be removed from their Card by contacting Customer Services at the contact details specified in the Schedule, but the discretion to unblock the Card or resume provision of Our services will be at Our discretion.

3.4 **Reloading:** Reloading of the Card may be permitted, if applicable, as set out in the Schedule.

3.5 **Card Renewal:** Any Card renewal, if applicable, shall be subject to the Schedule.

3.6 **Refund:** Goods or services paid for with the Card cannot be refunded by a retailer unless there was a prior Transaction debited from the Card by that retailer of an equal or higher amount than the refund requested. If the Card User and retailer agree a refund, the retailer may process the refund via a POS terminal. Amounts credited to the Card as refunds shall be available no more than 3 (three) days after the time the refund order was received. If an amount is credited to the Card that does not correspond to a refund, We reserve the right to apply loading fees as set out in the Schedule and/or, at Our discretion, terminate the agreement.

4. **Card Limits and Fees**

4.1 The Card Fees and Limits provisions are outlined in the Schedule and will apply to the Card.

4.2 Withdrawal and/or Transaction limits may apply to the Card as detailed in the Schedule.

4.3 When the fees are linked to a Transaction that results from a related service without use of the Card, it will be carried out provided that sufficient funds are available on the Card to cover the cost of the Transaction and the fees, and related fees shall be separately debited from the Card's balance.

4.4 Each time the Card User uses the Card, the value of the Transaction plus any applicable fees shall be debited from the Card. If the value of the Transaction plus any applicable fees exceeds the balance of the funds available on the Card the Transaction will be declined, and applicable fees shall be charged to the Card in accordance with the provisions of the Schedule. These fees cannot exceed the amount of the payment order.

5. **Card Security**

5.1 Card Users must sign the back of the plastic Card as soon as they receive it.

5.2 You should treat the Card like cash. If it is lost or stolen, you may lose some or all of your money on your Card, in the same way as if you lost cash.

5.3 You must keep the Card, Security Details and PIN (as applicable) safe by taking appropriate measures, including, but not limited to, the following:

- i. never allowing anyone else to use the Card or sharing the PIN or Security Details with anyone;
- ii. not carrying the PIN with the Card or recording the PIN where it may be accessed by other people;
- iii. not interfering with any magnetic stripe or integrated circuit on the Card;

- iv. complying with any reasonable instructions We give about keeping the Card and the PIN safe and secure;

- 5.5 The PIN may be disabled if an incorrect PIN is entered three (3) times at all ATMs and/or POS. If the PIN is disabled, please visit the Website or contact Customer Services to reactivate the PIN. There may be a twentyfour (24) hour delay in reactivating Your PIN.
- 5.6 You undertake, represent and warrant to Us that the Transactions that the Card User will undertake using the Card do not contravene any applicable law and that You and the Card User shall at all times comply with all applicable laws in relation to the performance of Your obligations under this Agreement.
- 5.7 The Card User shall obtain a receipt for every Transaction undertaken with the Card. The Card User must retain their receipts to verify their Transactions.
- 5.8 Card Users shall not under any circumstances send their active and/or loaded Card to Us or any third party, by post or any other unsecure delivery method.
- 5.9 Information sent over the internet may not be completely secure. The internet and the online systems are not controlled or owned by us so We cannot guarantee that they will be secure and function at all times and We accept no liability for unavailability or interruption.

6. Authorising Transactions

- 6.1 You will need to give your consent to each Transaction so that we can check it is genuine by, where applicable,
- a) using your PIN or other security code personal to you;
 - b) signing a sales voucher;
 - c) providing the Card details and/or providing any other details personal to you and/or your Card.
- Once you have given such consent to the Transaction, it will be deemed to be authorised.

Please contact Customer Services to notify us of any problems you are experiencing using your Card or Account and we will endeavour to resolve these as soon as possible.

7. Loss, theft and misuse of cards

- 7.1 If the Card is lost, stolen, misused or is likely to be misused by a third party or You or the Card User suspect that someone else may know the related PIN or Security Details or has carried out an unauthorised Transaction, You must stop using the Card and notify Customer Services directly as soon as possible on becoming aware of such loss, theft, misappropriation or unauthorised use of the Card. The Card shall be suspended to avoid further losses upon Your notification to Us in accordance with this clause.

- 7.3 You and/or the Card User will be required to confirm details of the loss, theft or misuse to us in writing.

TRANSACTION FEES

All payments made using Your Card shall be in the Denominated Currency. If the Card is used to pay for goods and services in a different currency to the Denominated Currency, the amount payable shall be converted at the Mastercard conversion rate at the time Your transaction is processed. The Mastercard conversion rate is displayed on <https://www.mastercard.com/global/currencyconversion/>. The Mastercard conversion rate may vary throughout the day and is not set by Us.

Foreign Exchange

If you use your Card in a currency other than the currency in which your Card is denominated, the amount deducted from your Available Balance will be the amount of the Transaction converted to your Account currency using a rate set by the Scheme on the date the Transaction is processed.

You may also be charged a foreign exchange Fee as set out in the Fees & Limits Schedule. In order to allow you to compare charges for currency conversion, you can view the percentage difference between the amount that will be charged on your Card for a foreign currency transaction (consisting of the mark-up applied by the Scheme as well as any other charges) and the latest available euro foreign exchange reference rates issued by the European Central Bank. You can view this information on the Website.

Note that exchange rates can fluctuate and that they may change between the time when the Transaction is made and the time when it is settled and billed to Your Card. You agree that any change to the exchange rate may be applied immediately and without notice to you. A foreign exchange management fee will apply as set out below:
